

RMS(ONE) PLATFORM

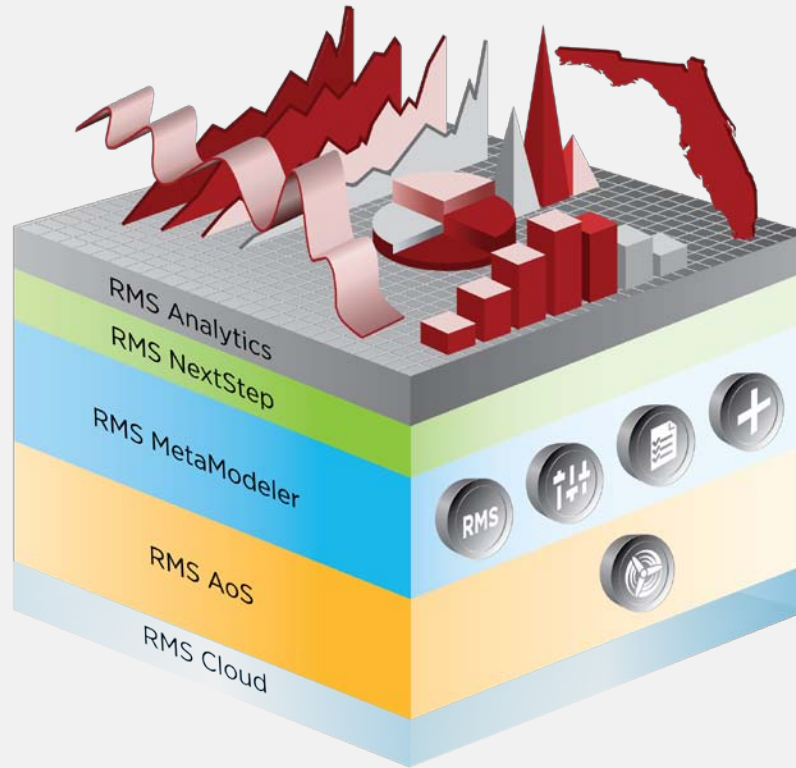

Ryan Ogaard
Senior Vice President

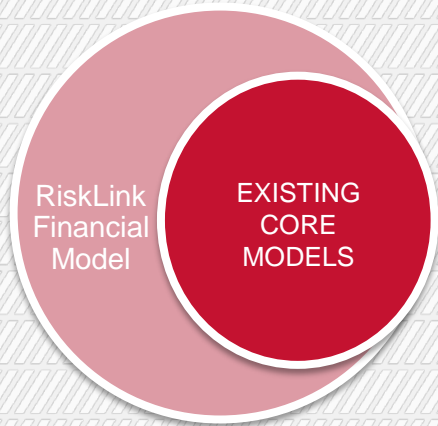

AN INTEGRATED MODELING SOLUTION

All aspects of modeling in
a single platform

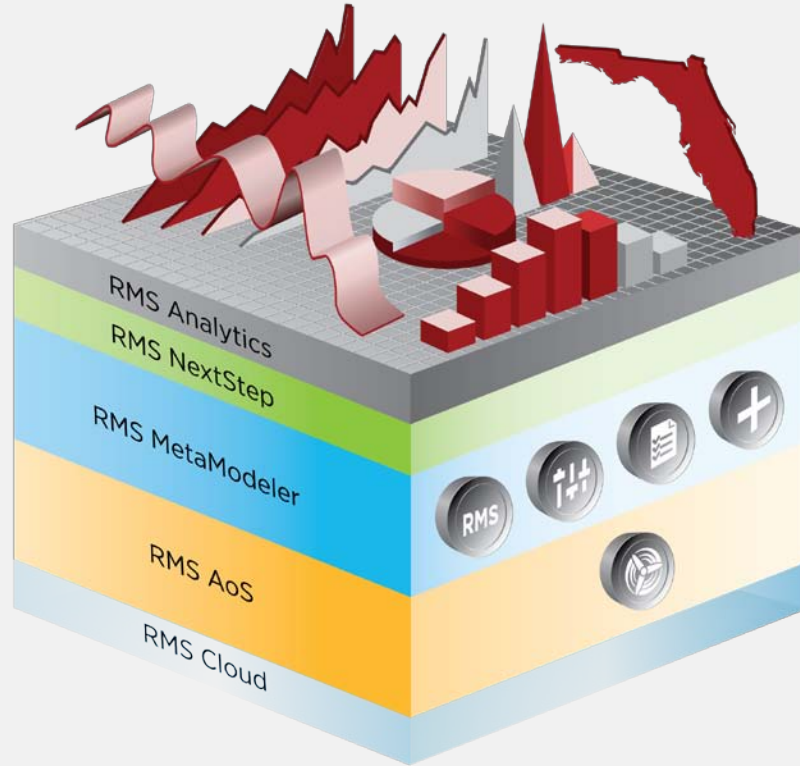

- Compute Power
- Modeling Tools
- Model Optionality
- Process Control
- Analytics

CLIENT CHOICE IN CONVERSION

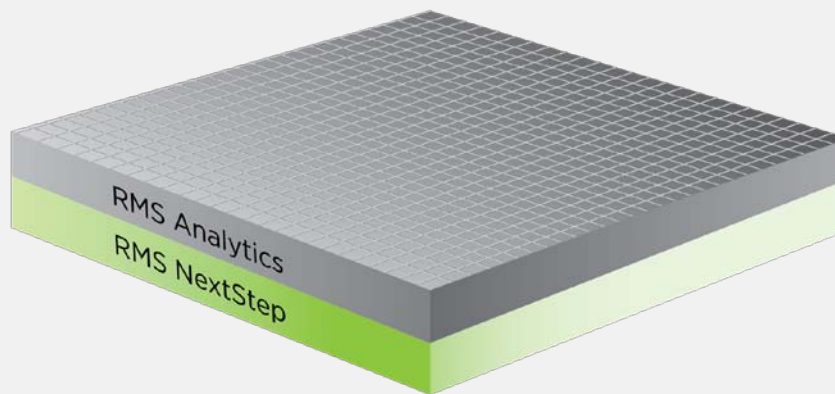

RiskLink

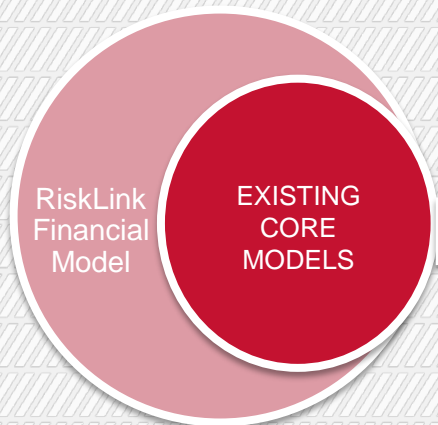

RMS(one)

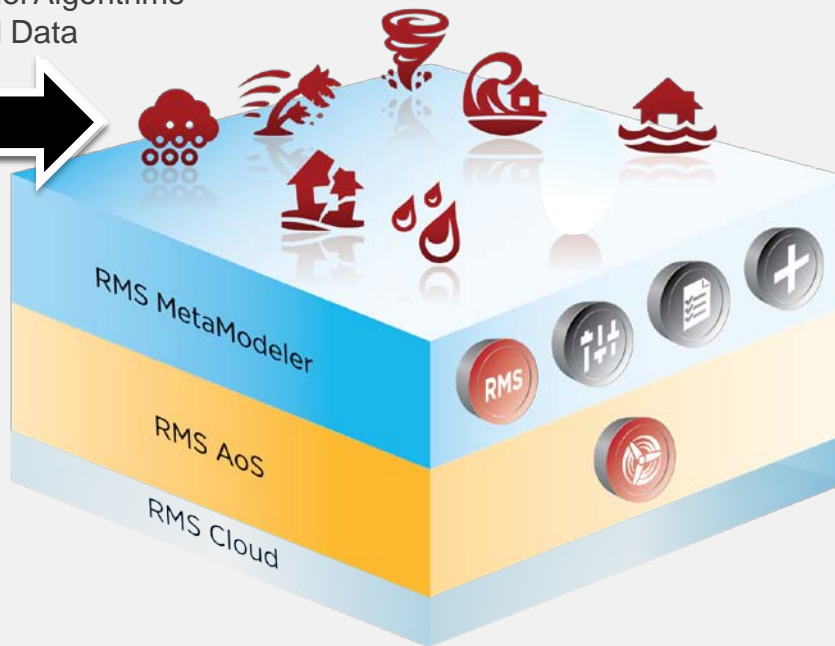

ALL MODELS ON BOTH PLATFORMS

Quick, Deep Insight
Process Control

Same Model Algorithms
and Data

Model Adjustment
Features

Calculation Efficiency

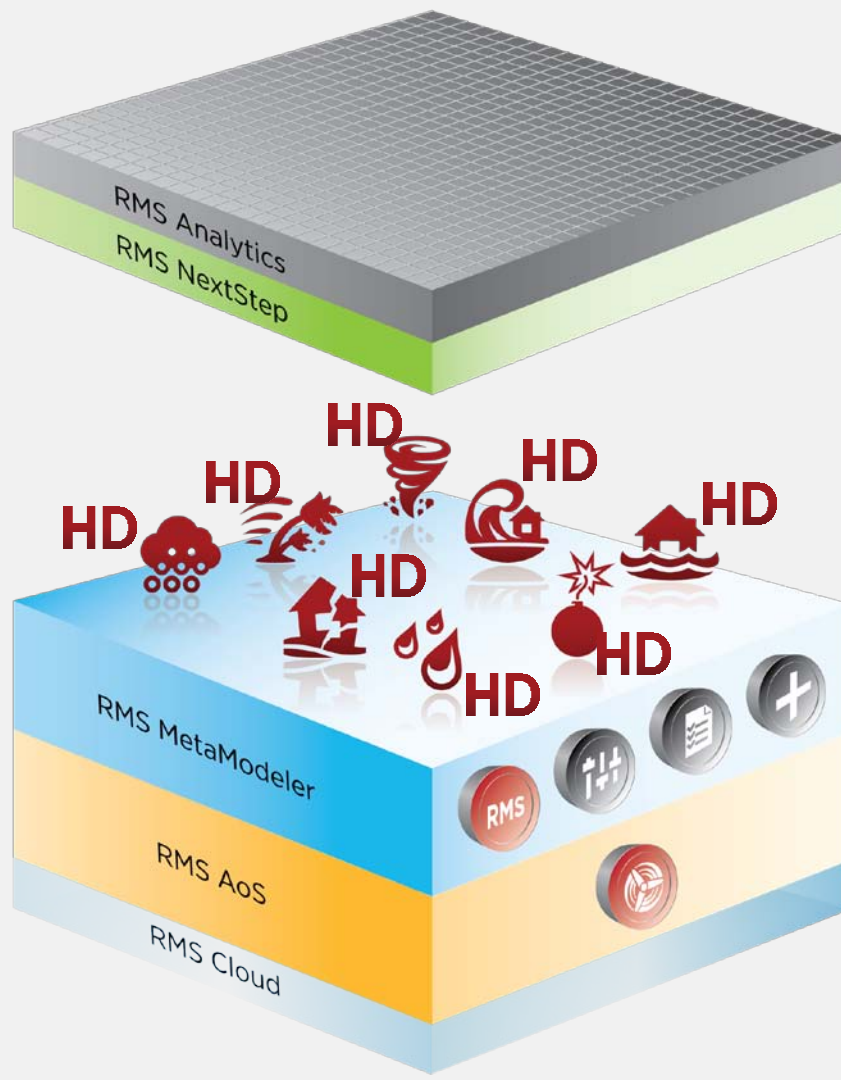

Data Access

High Performance

NEW MODELS WILL BE “HIGH DEFINITION”

The model upgrade plan
will determine when a
particular model becomes
HD

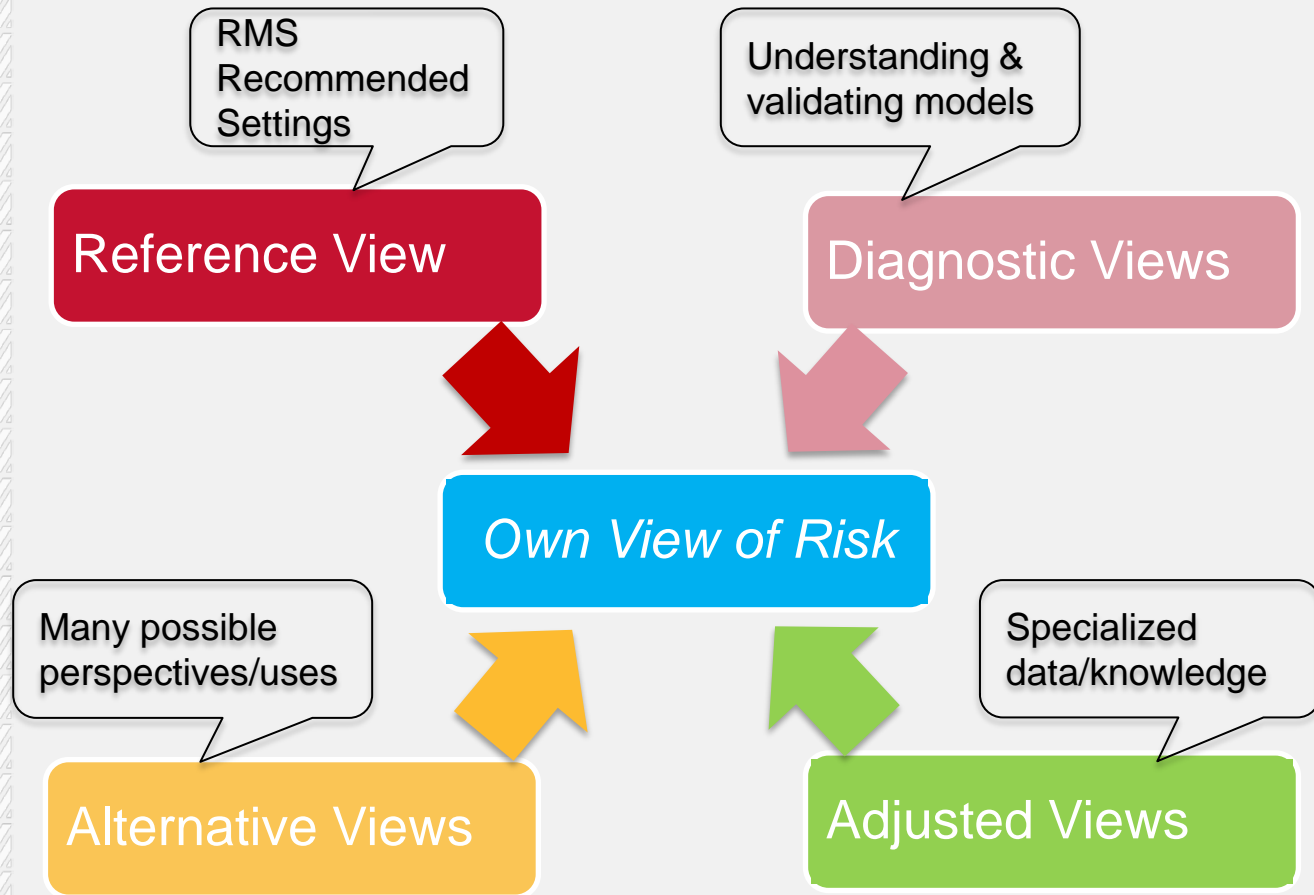

HD Models are only
available on RMS(one)

A PLATFORM BUILT FOR MULTIPLE VIEWS

The Industry uses multiple views

RMS(one) is designed to facilitate this best practice
