

TRANSMITTAL OF LOSS REIMBURSEMENT PAYMENTS

Once Proof of Loss requests have been processed and approved for payment, the Florida Hurricane Catastrophe Fund plans to send reimbursement checks via the U.S. Postal Service, Certified Mail, Return Receipt Requested. Payments will be mailed to the Claims contact person and address previously provided by your company.

If your company would prefer to receive this payment via overnight delivery, that option is available through Federal Express, DHL/Airborne or UPS by providing your courier's account number to our Administrator, Paragon Strategic Solutions Inc. This information should be communicated to Paragon by e-mail to Paul Smith at smithp@us.benfieldgroup.com or by fax to 800-264-0492. If you have previously provided Paragon with an address for claims that is a Post Office Box number, you will need to provide a street address and phone number for overnight courier delivery purposes.

If you have any questions, please contact Paul Smith at 800-689-3863.
