The total number of funds may continue to vary over time. Rule 19-13.002 (Roles and Responsibilities of Division of Retirement within the Department of Management Services) is being amended to recognize that Chapter 2017-88, Laws of Florida, amended Section 121.591(4), Florida Statutes, to provide for special in line-of-duty death benefits for the spouse and child(ren) of any investment plan member, and not just special risk class members.
