They do not include security lending income receivable, manager fees payable, and also may not include other receivables or payables that are unique to individual portfolios or funds.

<sup>2</sup>The line titled "Less Florida PRIME Holdings in SBA Funds" includes the total investments in Florida PRIME held by other SBA managed funds that are already included on this report. In order to prevent double counting, these amounts are shown as a reduction to the Florida PRIME fund.

<sup>3</sup>Fund is invested completely, or partially, in Florida PRIME.

<sup>4</sup>In accordance with HB 5011, effective 7/1/2021, LCEF was liquidated and the proceeds returned to the Division of Treasury Budget Stabilization Fund. Residual funds from dividends, tax reclaims and other settlements will continue to be received by SBA over the next few years and transferred quarterly to the Division of Treasury Budget Stabilization Fund.

<sup>5</sup>Since all investments in the Debt Service Escrow Fund will be held to maturity in nonrefundable escrow deposit agreements, this fund is reported at cost.
