

Amendment to the Flood Standards Report of Activities as of November 1, 2017
Process for Determining the Acceptability of a Computer Simulation Flood Model
Adopted by the Florida Commission on Hurricane Loss Projection Methodology
October 29, 2019

I. Scheduling

The following is an anticipated schedule:

May 2017	Committee meetings
June 2017	Adopt 2017 Standards
October 2017	Adopt revisions to the 2017 Standards and adopt the <i>Flood Standards Report of Activities</i>
November 1, 2017	<i>2017 Flood Standards Report of Activities</i> published
<hr/>	
November 1, 2019	First deadline for notification by modeling organization
December 2019 – January 2020	Commission meeting to review submissions
January – April 2020	On-site reviews
April – May 2020	Additional verification reviews, if necessary
May – June 2020	Commission meetings to review models for acceptability under 2017 Standards
<hr/>	
March 1, 2020	Second deadline for notification by modeling organization, only available under the 2017 Standards
April 2020	Commission meeting to review submissions
May – July 2020	On-site reviews
June – August 2020	Additional verification reviews, if necessary
August – September 2020	Commission meetings to review models for acceptability under 2017 Standards
<hr/>	
October – November 2020	Committee meetings
<hr/>	

March 1, 2021	Third deadline for notification by modeling organization, only available under the 2017 Standards
April – May 2021	Commission meeting to review submissions
May – August 2021	On-site reviews
July – September 2021	Additional verification reviews, if necessary
August – September 2021	Commission meetings to review models for acceptability under 2017 Standards
<hr/>	
September 2021	Committee meetings
October 2021	Adopt 2021 Standards and the <i>Flood Standards Report of Activities</i>
November 1, 2021	<i>2021 Flood Standards Report of Activities</i> published
<hr/>	
November 1, 2023	Deadline for notification by modeling organization
December 2023 – January 2024	Commission meeting to review submissions
January – May 2024	On-site reviews
April – July 2024	Additional verification reviews, if necessary
May – August 2024	Commission meetings to review models for acceptability under 2021 Standards
<hr/>	
August – October 2024	Committee meetings
September 2025	Committee meetings, if necessary
October 2025	Adopt 2025 Standards and the <i>Flood Standards Report of Activities</i>
November 1, 2025	<i>2025 Flood Standards Report of Activities</i> published
<hr/>	

The Commission will endeavor to expedite the review of a model if the Professional Team is able to verify all standards during the initial on-site review.
