

Company: Risk Management Solutions, Inc.

Purpose: This spreadsheet includes the Form S-5 losses/loss changes (2017 ROA) produced from North Atlantic Hurricane Models 18.1 (Build 1945) using RiskLink 18.1 and those produced using North Atlantic Hurricane Models 18.2 (Build 1960) on RiskLink 18.2

Sheets: *There is 1 sets of sheets.*

The first sheet in each set (named **Final2018_X_RL181**) represents the range of changes in loss generated by North Atlantic Hurricane Models 18.1 (Build 1945) using RiskLink 18.1.

The second sheet in each set (named **Final2018_X_RL18.2**) represents the range of changes in loss generated by North Atlantic Hurricane Models 18.2 (Build 1960) using RiskLink18.2.

The third sheet (named **Final2018_X_Delta**) represents the absolute change in change in loss between the two results, calculated as $([Final2018_X_RL18.2] - [Final2018_X_RL18.1])$

Summary of Form Changes – North Atlantic Hurricane Models 18.2 (Build 1960) on RiskLink 18.2 – North Atlantic Hurricane Models 18.1 (Build 1945) on RiskLink 18.1
