

## Anticipated Pool Closure due to Tropical Storm Michael

Due to the continued strengthening of Tropical Storm Michael in the Gulf of Mexico and its expected landfall in the Florida panhandle as a Hurricane, we anticipate Florida PRIME will be closed on Wednesday, October 10<sup>th</sup> and Thursday, October 11<sup>th</sup> during which time participants will NOT be able to conduct pool business.

The investment pool will reopen at 7:30am ET on Friday, October 12<sup>th</sup>, 2018. However, given the storm's final path and intensity, these hours are subject to change. Please let us know if you have any questions or special requirements.

Any additional changes to pool operations will be communicated as soon as possible to all participants. Please check the Florida PRIME website for the latest updates.

For more information on this event or to learn more about investing in Florida PRIME, please visit our website, or call (850) 488-7311.

*An investment in the Pool is not insured or guaranteed by any government or government agency. Although the manager of the Pool seeks to preserve principal, it is possible to lose money by depositing money in the Pool.*
