

Potential Pool Closure due to Hurricane Dorian

Due to Hurricane Dorian's expected landfall sometime during the Labor Day weekend, Florida PRIME *may* be closed on Tuesday, September 3rd and possibly Wednesday, September 4th, during which time participants will NOT be able to conduct pool business.

If these closures take place, the investment pool will reopen at 7:30am ET the day following its last day of closure. **Therefore, we urge any participant either needing account access on Tuesday (and possibly Wednesday) or who may be impacted by Hurricane Dorian to conduct financial transactions before 1:00 p.m. EST tomorrow, August 30th, to avoid any disruption to liquidity. If pool closure is necessary, no funds will move until the pool reopens.** Please let us know if you have any questions or have special requirements.

Any additional changes to pool operations will be communicated as soon as possible to all participants. For more information on this event, please check the Florida PRIME website or call (850) 488-7311.

An investment in the Pool is not insured or guaranteed by any government or government agency. Although the manager of the Pool seeks to preserve principal, it is possible to lose money by depositing money in the Pool.
