Fund B Account Statement SURVEY

Please respond to the survey questions by August 15th

The SBA is committed to providing superior service to investors in both Florida PRIME and Fund B. We value your feedback and ask that all Fund B participants complete a brief on-line survey.

The survey is designed to gauge the timeliness of Fund B account statements, which are distributed monthly. The survey consists of 5 questions and should take less than 5 minutes to complete. Your anonymous responses will provide the SBA with valuable feedback and help to improve the investment services delivered on your behalf.

Thank you in advance for completing this survey.
