## 2013 ANNUAL PARTICIPANT SURVEYS

Please respond to the surveys no later than Friday, May 31, 2013

The SBA needs your views on how Florida PRIME and Fund B are managed. This year's participant surveys include separate coverage of both investment pools. Please help us to deliver high quality cash management services by completing one or both of the short surveys.

This year's Participant Satisfaction Survey has been posted to the Florida PRIME website. As in prior years, the SBA seeks feedback and commentary from pool investors. Participant feedback is highly valued and we ask that each investor attempt to complete the brief on-line satisfaction survey, which shouldn't take more than 10 minutes to complete.

Summary survey results will be provided to the Participant Local Government Advisory Council (PLGAC), SBA staff, Federated Investors, Apollo Capital Management, as well as external investment consultants, and offers valuable feedback aimed at improving your overall investment experience with Florida PRIME and Fund B.

The 2013 surveys include questions covering the quality of service delivery, website functionality, liquidity preferences (Fund B), and other issues tied to SBA cash management services.
