

Shortened Pool Hours Due to Hurricane Irma

Governor Rick Scott has directed the Department of Management Services to close all state executive buildings on Friday, September 8, 2017. In light of the Governor's directive, the Florida PRIME investment pool and operation line will close early on Friday at 11am ET.

Pool participants will NOT be able to complete any account transactions after 11am ET. Accordingly, any required transactions must be completed before 11am ET.

At this time, normal pool hours (7:30am to 1pm ET) are scheduled for Monday, September 11, 2017. However, these hours are subject to change. Any additional changes to pool operations will be communicated as soon as possible to all participants.

SBA operations staff are available to assist any participants affected by the storm. If you have any special requirements, please call the pool operation line at (850) 488-7311.
